

The Progressing Pearl

We are the precious gems that reflect light,
After all,
Fate has chosen us to graduate in 1985,
The thirtieth anniversary of our school;
The year of the lustrous pearl.

We are one in a million,
Like grains of sand on an endless beach.
Then the change occurs;
We pearls begin to evolve.

As we grow,
We create intricate layers of shiny material;
The experiences of the past.

Now it is time to expand our grain of sand.
We must form new stratas,
The stratas of the future.

As our pearl continues to develop,
We will never forget the past.

After all,
It is what will lead us into the future.

We were a grain of sand,
Long ago,
On an endless beach,
Waiting to discover
Our purpose in this life.
We were shaped and molded,
Like the beautiful and ever-changing pearl.

Debbie Mulnite

Class History

In September of 1981, a new crew boarded the SS Panther with the intention of obtaining a priceless treasure of pearls. They knew that the journey to the treasure's location would be long and difficult, but they had much enthusiasm. They met their new captain, Philip Morton, co-captain, Salvatore Saitta, and first mate, Karen Drake who informed them of a competition among other ships in the area. The crew then elected Sharon Cushman, Jeanne Mannette, Mariamma Devassy, and Debbie Kessler to direct them through the first year. Unfortunately they came in fourth place in the competition with the theme "Flying High with Panther Pride."

To begin the second year, they chose Sharon Devanney, Mariamma Devassy, Sharon Cushman, and Brian Wise to lead them. They decided to sell chocolate covered fish to other ships in order to raise money for their expenses. They also improved their status to third place in the competition with the theme "Panthers Count Down to Victory," and many received rings acknowledging their accomplishments thus far.

They soon approached the third year of the journey and chose Jim Sauerhoefer, Mars Devassy, Sharon Cushman, and Lynne Tracy to lead them through an eventful year. This time they came in second place in the competition with "May the Panther Force Be With You," and were then rewarded with a celebration of dinner and dancing. Sandy Magnano was at Ellington Ridge crowned the "Ship's Queen."

The time had gone by quickly and the crew knew that they were nearing their destination. They chose Jim Souerhoefer, Amy McNiff, Debbie Kessler, and Jodie Fortier to lead them through their final year. They also asked Donna Dwyer to assist the first mate in organizing and advising the crew. They held another fund raiser to help make the rest of the journey more enjoyable. This year the crew came in first with the theme "Bustin' Makes Us Feel Good." They then landed on High Meadow Island for a day of fun and relaxation. A banquet was also held in their honor for all of their accomplishments.

They finally reached their destination after four years of dedication and hard work. They held a final celebration where they were each presented with a priceless pearl which they had worked so hard to obtain.

Dedication

We, the Class of 1985, wish to thank Miss Drake, our Senior Class Advisor, for all of her help in our four year stay at East Windsor High School. Miss Drake has aided us in the good times and bad times. She helped us create many special memories.

We gratefully dedicate the 1985 yearbook to you.

LIFE

You never know how good you have
it
Until that good is gone,
To be able to watch the sun go
down
Or to see the break of dawn.
To be able to go to parties
Or invite over a friend,
Those were all the moments
You thought would never end.
But sometimes something happens
That seems to get in the way,
You may not like it,
But you don't have any say.
Someday this will all pass
And all bad things disappear.
Remember when you're feeling
down
And your world seems to be falling
apart,
Life is the most important thing
You should treasure it with all your
heart.

Class Song

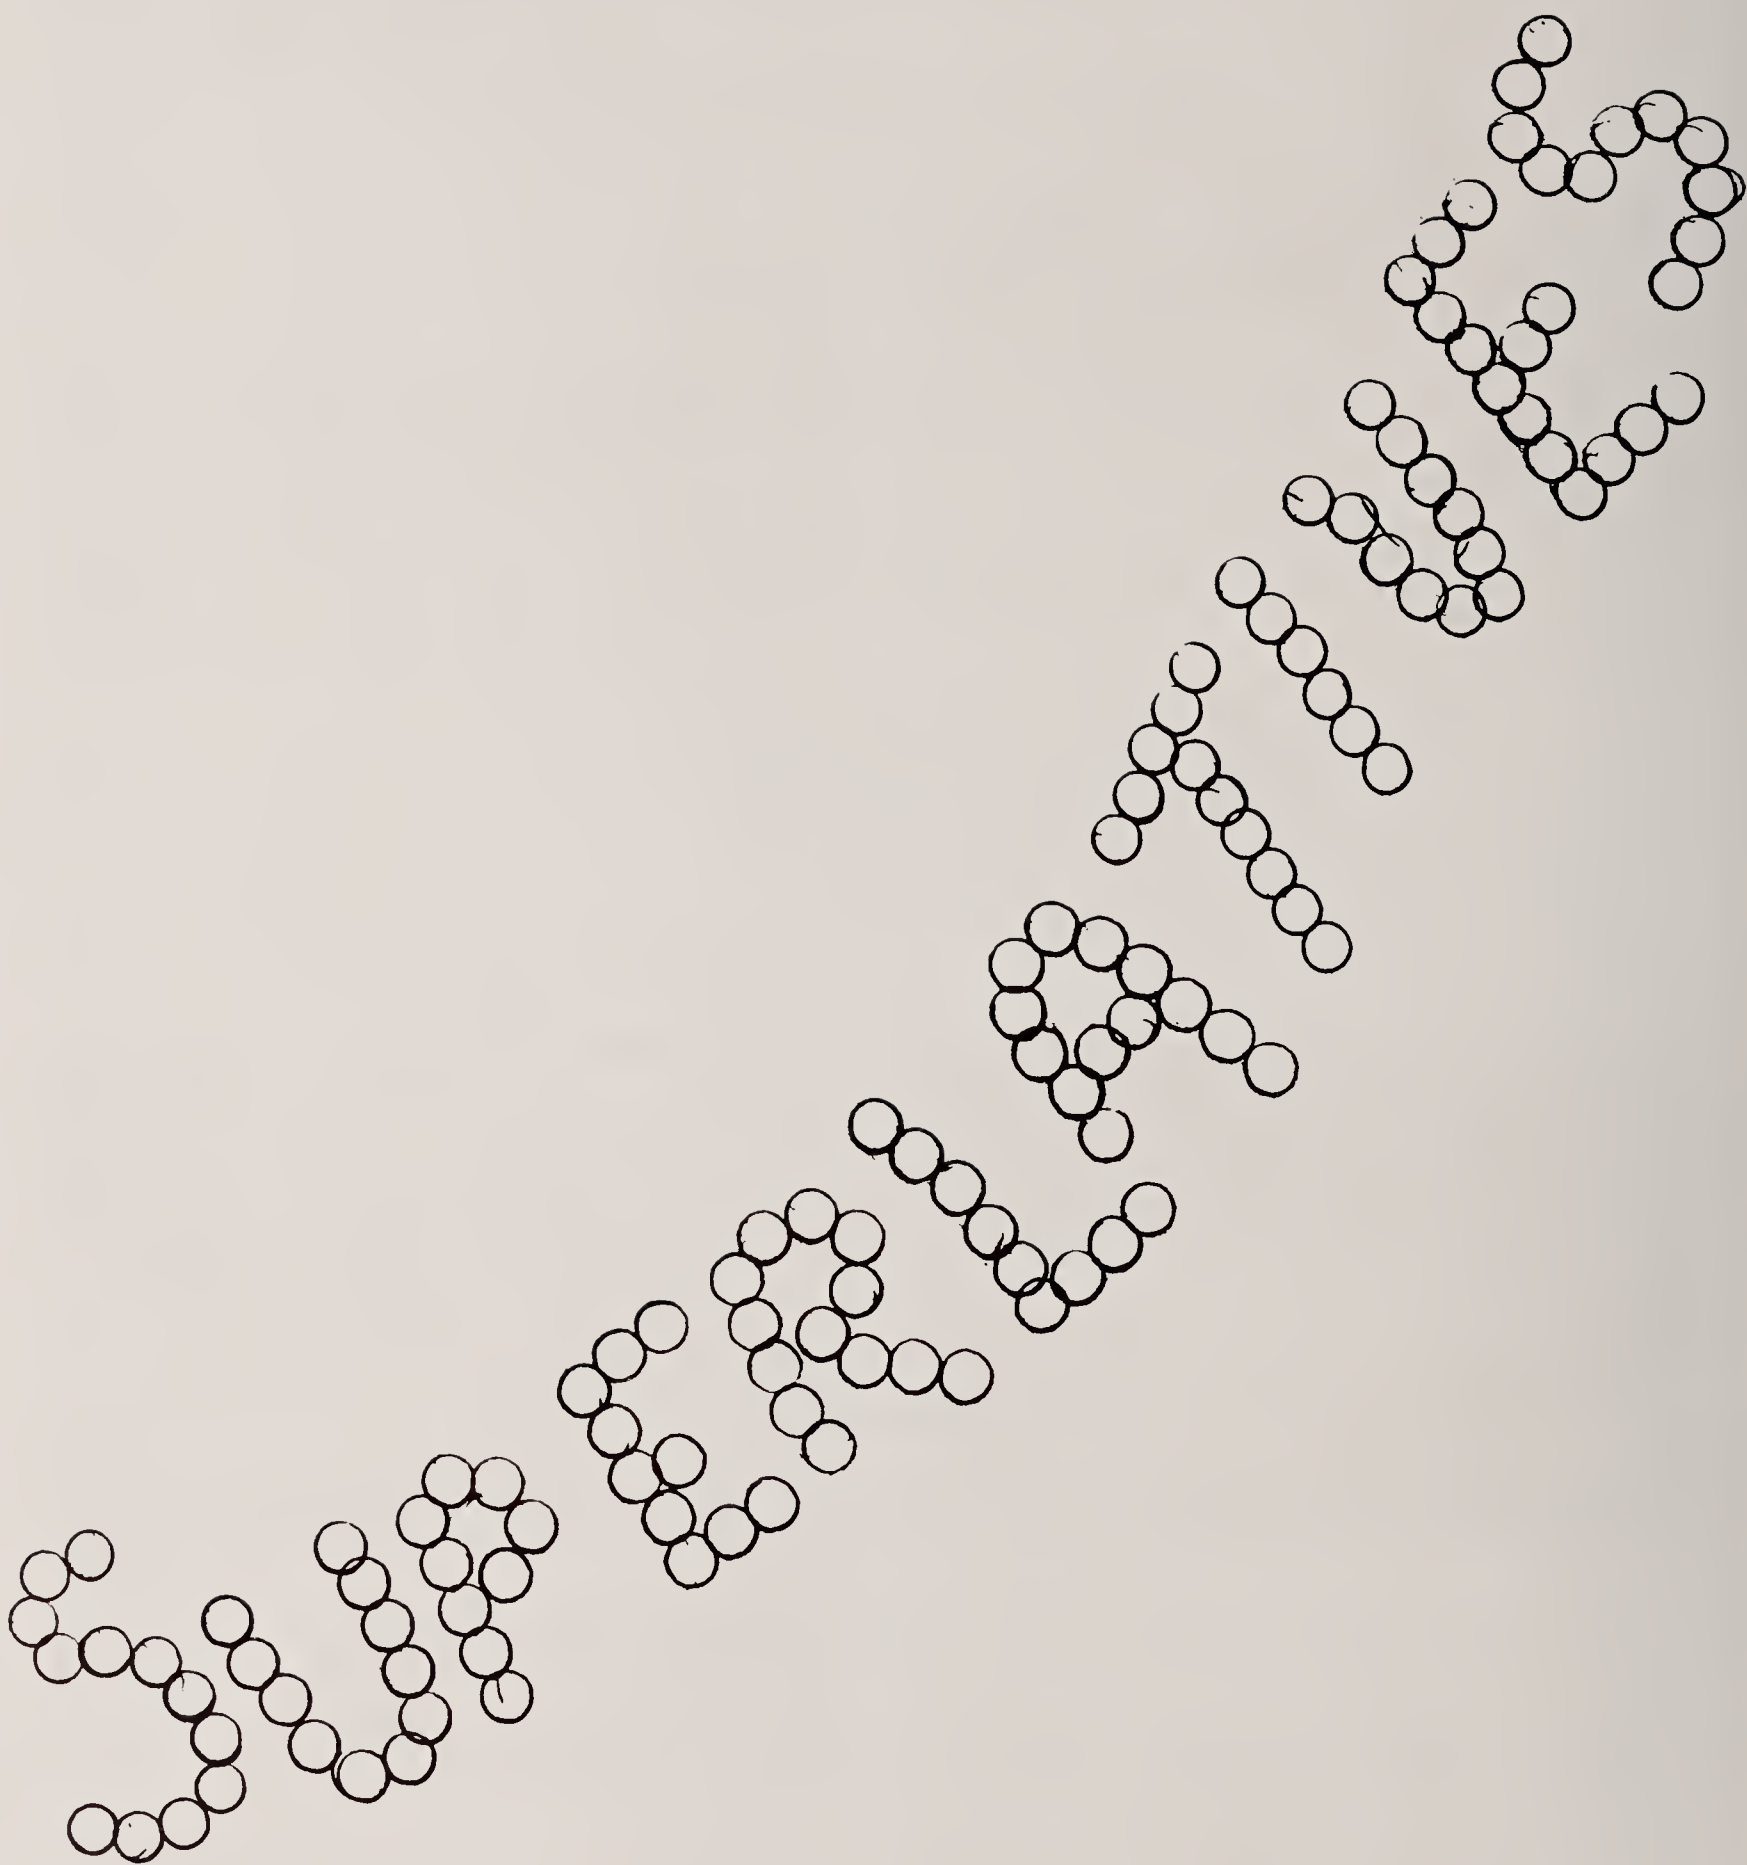

WE'VE ONLY JUST BEGUN

We've only just begun to live,
White lace and promises
A kiss for luck and we're on our way.

Before the rising sun we fly,
So many roads to choose,
We start out walking and learn to run.
And, yes, we've just begun.

Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over, just the two of us,
Working together day to day,
Together, together.

And when the evening comes, we smile,
So much of life ahead,
We'll find a place where there's room to grow,
We've only just begun.

CHEERLEADERS

This is a stick up! Everyone put your hands up!

Open wide and say ay.

Push a little harder, we're almost there.

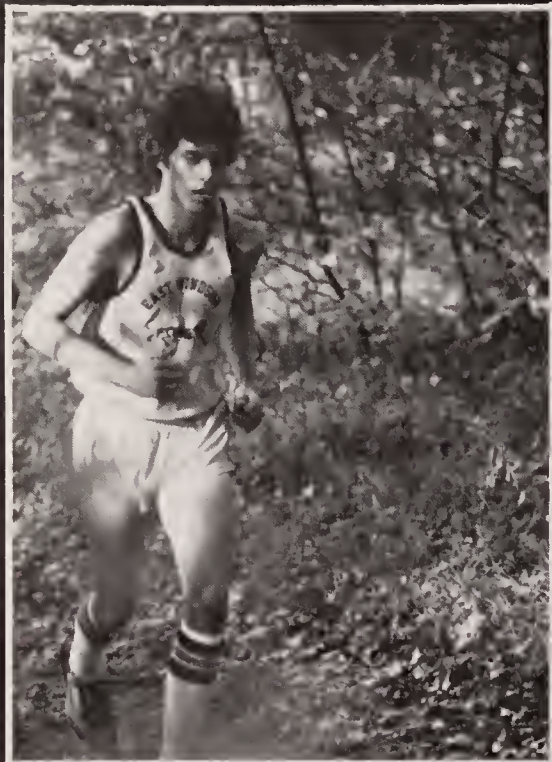

Coach, there's something movin' on the ground.

It's a bird, it's a plane, it's . . .

SPORTS BLOOPERS

THINK

If you think you are beaten, you are.
If you think you dare not, you don't.
If you like to win but think you can't
It's almost certain you won't.

If you think you'll lose, you've lost
For out in the world we find
Success begins with a fellow's will
It's all in the state of mind.

If you think you're outclassed, you are.
You've got to think high to rise
You've got to be sure of yourself before
You can win any prize.

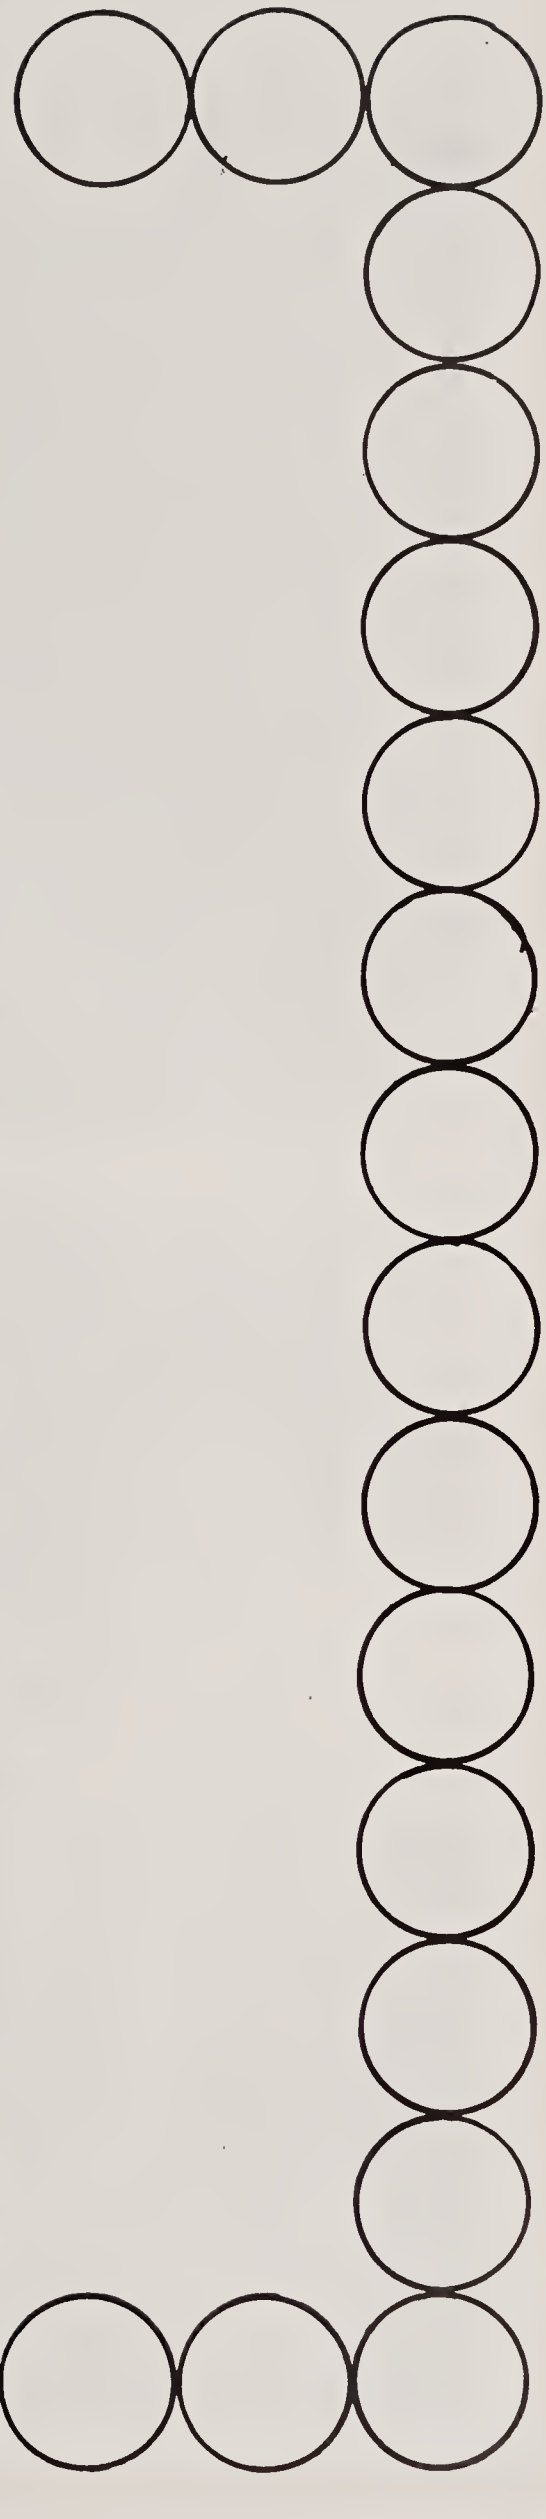

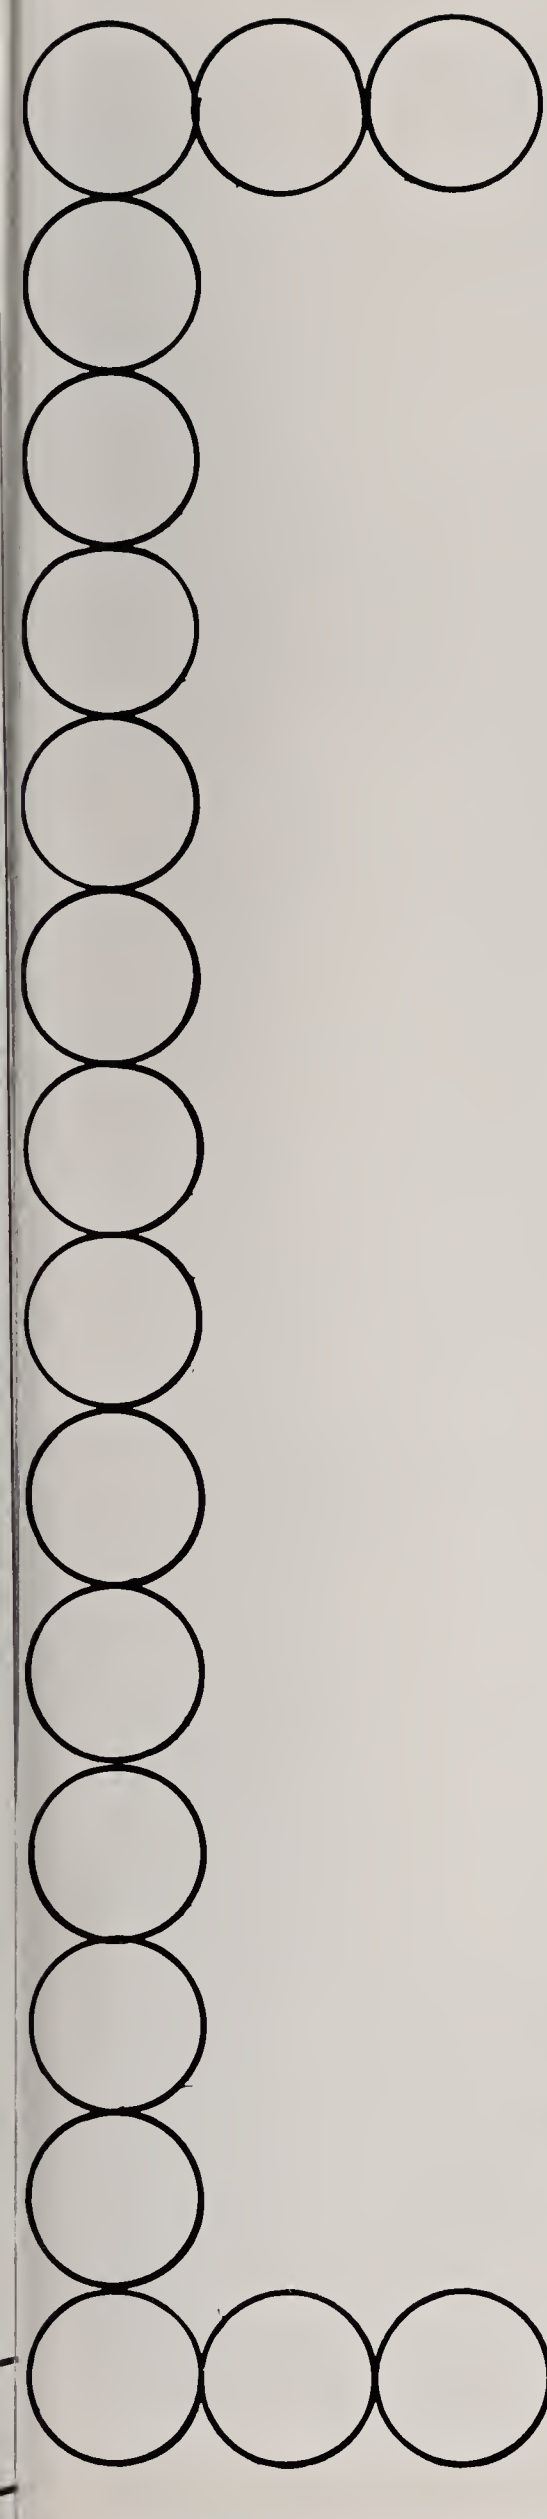

Life's battles don't always go
To the stronger or faster man.
But sooner or later the man who wins
Is the man who thinks he can.

By Walter Wintle

A smile cost nothing, but gives much
It enriches those who receive
Without making poorer those who give
It takes but a moment
but the memory of it sometimes lasts forever.
None is so rich or mighty
that he can get along without it.
And none is so poor
but that he can be made rich by it.
A smile creates happiness in the home,
fosters good will in business
and is the countersign of friendship.
It brings rest to the weary
cheer to the discouraged
sunshine to the sad.
And it is nature's best antidote for trouble;
Yet it cannot be bought
begged, borrowed or stolen
for it is something that is of no value to anyone
until it is given away.
Some people are too tired to give you a smile.
Give them one of yours, as none needs a smile
so much as he who has no more to give.

Friends and Memories

It seems as if yesterday it had just begun
Our years of having so much fun
Now we have come so far so fast
We are afraid to look back to the past
The memories we have all shared
We all know how much our friends have
cared
Laughter, happiness and smiles have also
been a part
Just as sadness, crying, and hurt have
touched each persons heart
The years these friends have spent together
Will be the times we'll remember forever.

A Senior's Last Words

Good times and bad times at East Windsor High,
But now it's time for us to say good-bye.
We will always remember what we were taught,
But most of all, the times we were never caught.
Good luck to the class of next year,
So long, we're out of here.

What Is Friendship?

**It is a feeling completely natural
with another,
shedding all pretense and all sham,
just being yourself
it is sharing with another
both big and little things,
joy and sorrow,
laughter and tears.**

Author Unknown

We, the Class of 1985, have gained many new experiences, friendships, and happiness in our four years at East Windsor High School. Our pearl has grown a great deal since it started as a little grain of sand. We know that there is still room for growth and development in each pearl that we have made.

We would like to dedicate this page to our fellow pearls that may continue to be nourished with knowledge and experience. We would like to thank them for all the laughs, tears, smiles, cares, and especially the friendships that we have made. Thanks for all the memories!
